Building your premium personalised health plan

Cigna Healthcare is an advocate for better health through every stage of life: We empower our customers to make the best choices for improving their health and vitality.

Cigna Platinum offers not only extensive coverage for most inpatient and daypatient care, but also the freedom to tailor your plan to suit your individual lifestyle and needs.

Enhance your chosen plan with four optional modules, offering coverage for everyday healthcare needs; from doctor and physiotherapy appointments, to prescription medications, cancer screenings and routine physicals.

You may also choose to include Vision and Dental care, as well as global evacuation and repatriation services, ensuring total peace of mind wherever life takes you.

International Outpatient

For those who value seamless access to premium care without delay, the outpatient module offers the flexibility and convenience to manage your health on your terms.

Whether it's

- **same day consultations with leading medical specialists**
- **access to prescribed medications**
- **advanced diagnostics such as pathology, radiology and genetic testing**

this module ensures every aspect of your outpatient care is covered.

Outpatient rehabilitation services are paid in full, while additional benefits, including:

- **infertility treatment**
- **hormone therapy**
- **genetic testing**

are provided within generous monetary limits.

Ideal for individuals and families who prioritise proactive, personalised healthcare as part of a high-performance lifestyle.

International Health & Wellbeing

At Cigna Healthcare, We understand the importance of your overall wellbeing and living a balanced life.

Our International Health and Wellbeing optional module includes a comprehensive adult physical at a private facility, as well as full cancer screenings including cervical, prostate, bowel, breast, skin and lung, are also included and covered in full.

Your wellness companion services are available 24/7, all year round with multilingual support for your convenience. We provide access to three comprehensive wellness services designed to support your personal and professional life.

These services are delivered in partnership with a trusted third-party provider offering:

- **A global network of 88,0000 licences counsellors and wellness professionals.**
- **Services available in over 200 countries.**
- **Multilingual support**
- **Easy access via phone, video or in-person channels**

Platinum Dental and Vision

Enhance your health plan with our Dental and Vision module, designed to support your everyday wellbeing with premium care and convenience.

For dental care, the module provides full reimbursement, up to annual limits, for:

- **preventative**
- **routine**
- **major restorative treatments**

ensuring you and your family maintain exceptional dental care with ease.

These treatments include cover for:

- **dental checkups**
- **X-rays**
- **root canal treatment and much more.**

For vision care, the module includes full coverage for annual eye examinations, as well as contributions towards prescription lenses, contact lenses and prescription sunglasses.

International Medical Evacuation

Your peace of mind and your family's safety, especially when travelling internationally, are our priority.

Our international medical evacuation covers transport to the nearest centre of medical excellence when urgent treatment is not available locally.

In addition, international medical evacuation includes medical repatriation following serious illness, surgery or traumatic response, where we will pay for you to be returned to your country of habitual residence or country of nationality.

To further ease your concerns, compassionate visits can be arranged for a close family member following serious illness, surgery or trauma.
